

Letter of Guarantee on Hazardous substance to Environments

1. Our company presents <the Letter of Guarantee on the Hazardous substance to Environments> to guarantee the environmental-friendliness of our products in response to the international regulation on hazardous substance to environments.
2. The following substance(s) are not contained in the copper and copper alloy products by POONGSAN and are not used in manufacturing.

▶ DP (Dechlorane Plus)

Dechlorane Plus is a chemical compound primarily found in the product of chemical substances.

Dechlorane Plus is mostly inert and possesses excellent thermal and chemical stability, enhancing the durability of compounds.

There are concerns about the potential bioaccumulation and toxicity of DP, these compounds may persist in the environment long-term, potentially adversely affecting ecosystems.

* Chemical Structure (Metal has no chemical structure.)

3. POONGSAN hereby certifies the above statement to be true. If the above statement turns out to be false, we guarantee to take full responsibility for all matters.
